Dear Mr. Mathur:

In reply to your letters of January 1, 1981 and January 8, 1981 regarding subject East Peoria Terminal, please be advised that Texaco sold its East Peoria Terminal on October 3, 1980. Inasmuch as Texaco no longer has an interest in the facility and also could not comply fully with your request, we will not submit the data requested unless we hear further from you.

For your information, the beneficial interest in the facility was transferred to Caterpillar Tractor Company. If you have any further questions, please call our Environmental Protection Coordinator, M. D. Sargent at (312) 920-4531.

Yours very truly,

TEXACO INC.
